RESPONSE TO ARGUMENTS

7. Applicant's arguments filed on 4/26/2004 have been fully considered but they are not persuasive.

REMARKS

8. In response to Applicant's arguments, Applicant argues that the prior art of record (Wonfor and Sims III) fail to disclose:

a. "ascertaining terms for providing material to a prospective recipient according at least in part to information of unauthorized copying of other protected material previously provided to said prospective recipient". As noted in the Office action mailed on 09/09/2003, Wonfor discloses this limitation in the abstract, col 4, lines 21-67, specifically wherein said the right holders authorize video service providers to apply

Art Unit: 3621

copy protection to the program material. Also, see., Sims III, col 2, lines 21-67, wherein said under the terms of a license agreement.

b. " providing or withholding a copy of said protected material to said prospective recipient in accordance with said terms". Based upon the rejection mailed on 09/09/2003, it is believed that Wonfor discloses this limitation in the abstract, col 5, lines 30-67, col 7, lines 53-67, col 8, lines 18-45, col 8, lines 1-8. see., Sims II, col 2, lines 21-67, col 3, lines 7-45, col 8, lines 1-8.

c. " obtaining said information of unauthorized copying from a database". However, the Examiner respectfully disagrees because Wonfor discloses this limitation in col 5, lines 7-65, specifically wherein said obtain a taped copy 26 without authorization, the unauthorized copy will be degraded to the degree that it is un-watchable.

Conclusion

9. THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action.
